COUNT ONE

1. Marcia Parent of Oakville, Connecticut (hereinafter "respondent") is, and has been at all times referenced in this Statement of Charges, the holder of Connecticut registered nursing license number E56454.
2. On August 17, 2005, the Connecticut Board of Examiners for Nursing (hereinafter "the Board") ordered a Consent Order in Petition Number 2004-0908-010-073 (hereinafter "the Consent Order") that placed respondent's registered nursing license on probation for a period of four years. Such disciplinary action was based upon proof of respondent's diversions of Oxycotin and Lorazepam.

4. On about December 29, 2005 respondent's urine screen results were positive for opiates.
5. Respondent's conduct as described above constitutes violations of the terms of probation as set forth in the Consent Order, and subjects respondent's license to revocation or other disciplinary action authorized by the General Statutes of Connecticut, §§19a-17 and 20-99(b).

COUNT TWO

6. Paragraphs 1-2 , inclusive, are incorporated herein by reference as if set forth in full.
7. Said Consent Order specifically provided that respondent shall be responsible for the provision of written reports from her therapist directly to the Board and the Department for the entire probationary period; monthly for the first and fourth years of probation.

8. No therapy reports regarding respondent have been received for December 2005, January 2006, February 2006 and/or March 2006.
9. Respondent's conduct as described above constitutes violations of the terms of probation as set forth in the Consent Order, and subjects respondent's license to revocation or other disciplinary action authorized by the General Statutes of Connecticut, §§19a-17 and 20-99(b).

THEREFORE, the Department prays that:

The Connecticut Board of Examiners for Nursing, as authorized by the General Statutes of Connecticut, §§20-99(b) and 19a-17, revoke or order other disciplinary action against the license of Marcia Parent as it deems appropriate and consistent with law.
